KEMSING TUITION

# TUITION TIMES

THE OFFICIAL NEWSLETTER OF KEMSING TUITION

## A note from our Company Director

This term has witnessed our inaugural summer concert. It was a lovely afternoon. The participants played beautifully and with such confidence. We look forward to holding regular concerts - in the summer and at Christmas. It has provided a motivation, focus and a goal as well as an opportunity to perform in front of a live audience (which can be a daunting experience). After the concert, home baked scones and strawberries were enjoyed by all along with a glass of prosecco. Not wanting to wish the summer away...BUT at Christmas we can look forward to mulled wine and mince pies! Look out for the date early next term.

Katie Barnes

### Term dates

Our **summer term will end on the 22 July.**

Regular lessons will finish, however, Richard is still working through the summer, so please [email Katie](#) to book lessons if you would like them and have not already done so. The **new term will start on Wednesday 5 September. All regular lessons will be booked in again from this date.**

### **Tutor update**

We welcomed three new members of staff to our team. Jo is a trainee teacher taking on a few pupils over the summer and possibly beyond. Jennifer, a qualified teacher with primary and secondary teaching experience is also joining the team. Jennifer's first subject is maths. Emma has joined us as a music and academic tutor apprentice. We are currently taking bookings for these tutors. Remember a referral leading to a regular booking will earn you £10 off your next invoice!

### **Important info**

This term we have developed our 'Terms of Service' document. It lays out what you can expect from us and what we require from you. It covers a variety of subjects and situations to clarify best practice. Richard will be sending out the final draft before September. He will also be collecting everyone's consent for holding contact details.

## Competition time!

This term we began running **weekly competitions** on [our website](#). The competitions are usually posted on a Monday and entries close on the Friday. Each month an overall winner is randomly selected from all the correct entries received and awarded a great prize! You can find the competitions under the resources tab on [our website](#). The link to each competition is shared on [our Facebook page](#) each week.

---

## Honour roll

### Congratulations to:

Imogen for taking the prep test

Benjamin for taking the prep test

Kirsty passing grade 1

Joelle passing grade 1 with distinction

Khaled passing grade 3 with merit

Richard passing grade 3 with merit

---

## Star Pupil Award

Each term our tutors select a 'Star Pupil' to recognise their efforts and achievements throughout the term. At the conclusion of the school year, each teacher will select an overall winner from those nominated. Good luck!
