

KEMSING TUITION

Newsletter Christmas 2018

A word from our Director

The term has, as usual, flown by and here we are once again enjoying a break. Richard and I would like to wish you all a very merry Christmas.

Term Dates

Our term starts on Thursday 3rd January.

Half term is from Monday 17th February - Sunday 23rd February.

Holiday lessons will be available during half term. Please book early to avoid disappointment.

Hall of Fame

Well done to Edie, Lexi and Victoria who have all successfully completed their preparatory test. We are still waiting for the results of the other candidates which should arrive shortly.

Facebook

We regularly post interesting content and features on our Facebook page. Please pop by and "like" us. We would love to reach 100 likes during 2019.

[Click Here!](#)

Website

Our website has been growing this term. New features include a range of GCSE maths top tip sheets and worksheets to accompany those at KS1 and KS2 level. The worksheets are in the [Pupil Hub](#) and the answers can be found in the [Parent Hub](#). Our home and school life collection is now complete.

Work is now underway to produce easy to understand articles on various special educational needs, also a start has been made on our English Top Tips. These articles and sheets are there to help parents and pupils, so please have a look through and print off anything that is of interest to you.

Vacancies

We are looking to increase our team. If you know of a teacher who would like to undertake a few evenings work, please do direct them to our website where they can complete an application form and upload their CV. We need teachers for English and Maths and a pianist grade 6-7+ standard.

Brochure

During this term we have produced a new brochure. If you have friends or family looking for a tutor, please do recommend us. We can supply you with a few brochures to hand out if you are very keen.

Exciting Developments

Have you seen our new van? Following the sad demise of Richard's little car, he decided to upgrade to a spacious van. This allows him to keep various teaching aids on-board and of course a few spare editions of the brochure. Give Richard a flash if you see him driving around.
